Frequently Asked Questions

How much did our new building cost?

Approximately \$2.5 Million. The exact figure has not been finalized as some tasks are still being finished up.

How much is our current loan?

Our loan has not been finalized, but it is estimated to be approximately \$2 Million. Once the loan amount is finalized, we will provide an update.

How do I determine how much I should give to *Forward In Faith*?

The Bible says, "Each man should give what he has decided in his heart to give, not reluctantly or under compulsion, for God loves a cheerful giver." (2 Corinthians 9:7) During the next few weeks, prayer needs to be an important part of your decision as you discuss this with your family. We are asking each family to make a sacrificial commitment to this momentous project.

I Have A Question...

What if I cannot give as much as other people?

We are not asking for equal giving but equal sacrifice. God looks not at what we give but at what we have left after we give. Each of us can give far more than we think by giving consistently each week or each month over a three-year period. Examples in the chart to the right show how weekly amounts grow over a three-year period.

When will we make our commitments to *Forward In Faith*?

The leadership of our church will be asked to make their commitments at a Leadership Banquet on October 24. Most of us will make our commitments on Victory Sunday, November 19, during the morning services.

When will begin to give?

You can give to *Forward In Faith* at any time, but the first Sunday of our three years of giving will be January 7, 2007.

Can I give resources other than money?

You can give real estate, stocks, bonds, vehicles or other resources to *Forward In Faith*. There are usually tax advantages to giving these resources rather than selling them and giving the money.
